* euphonium (tenor tuba): small but very important part in Harris. We can adjust if the player can't make all rehearsals.

** 4 drums needed. The score calls for 2 players; one of the perc players would move over (if we have 3). Need 1 strong mallet player in addition to a strong timp plus 2 others..

*** Ravel calls for 2 harps but it should be possible for an experienced player to cover both. I will make a part if necessary. Need to make sure we have someone who can handle this.
